Dear Prospective or Renewing Family,

Thank you for your interest in our early childhood programs, Piedmont Global Preschool and Wishview Children's Center. We accept applications continually and your application remains active for one year.

Our early childhood programs strive to maintain a friendly, cohesive school family that includes children with diverse ethnicities, abilities, and cultures. We accept vouchers and employer subsidies. Please fill out a separate application for each child and fully complete each page. As openings develop in our school, we fill slots by processing applications in the order they were received. We try to maintain a gender balance in each classroom and provide the attendance plan that meets your family's scheduling needs. Along the preschool journey, our teachers lovingly support each individual child's development. We rejoice to see our students complete our graduation and then move into kindergarten.

The beliefs and practices of our preschool are a great match for parents who share the following viewpoints:

- My goals for my child's preschool experiences are centered on happiness, meaningful relationships, and developing a positive attitude about school.
- I value fun and play-based learning activities that foster creativity, motor skills/coordination, literacy skills, mathematics knowledge, social and emotional skills, and scientific inquiry on a preschool level.
- I am seeking an emphasis on creative free play, hands-on learning, and some teacher directed activities. (Teachers weave academic content into enjoyable preschool activities. Children actively move about our classrooms and they are not drilled or made to complete worksheets.)
- I feel good about my child playing outdoors in all four seasons and sometimes getting messy, wet, muddy, or paint-covered (clothes and skin).
- If developmental or behavioral concerns arise, I will promptly make myself available for a high level of on-site parent participation to support my child at preschool. As needed, I will meet and collaborate with teachers and administrators responsively. I am open to access services such as developmental evaluation, additional supervision, and therapeutic early interventions to support my child's needs.
- My family has the time and energy to attend preschool events and participate in teacher appreciation.
- I share the school's vision for consistency and sustained relationships. I feel comfortable voicing my ideas, concerns, suggestions and plans to the teachers and director throughout the preschool journey.
- Having reviewed the *Family Handbook* and *Tuition Policy*, I would like to make a long term, year-round commitment until my child begins kindergarten.
