

the Dreamkeepers

of Wishview Center

Maximum Group Size: 10 children at once

Teacher-Child Ratio: 1 teacher per 5 babies

A cheerful classroom where cherished infants and toddlers experience feeling **safe** and **loved** at school. Parents and teachers share a collaborative relationship focused on individualized feeding, diapering, playtime and celebrating developmental milestones!

Approximate ages of children in this class

Infants - 18 months

Teachers promote development by supporting the children's need to roll, crawl, pull-up, walk, and run! Dreamkeepers experience a wide variety of toys, multi-cultural music and great books. Outdoor play in all four seasons is important to us.
